Dear customers, partners and suppliers,

As the Coronavirus outbreak continues to develop very fast Globally, we want to inform you that we are following the guidelines issued by the Danish Government and the WHO organization. Yesterday, we actively took the necessary steps to secure the safety for our employees, suppliers and partners.

All meetings with external partners are cancelled until the situation is normalized.

Our sales force works from home for the next two weeks and will be available as usual.

We continue with full capacity production as usual and we will deliver all orders as planned. We will do our utmost to keep the normal service level.

If you have any questions or need assistance from us, our staff is ready to help you as usual.

We battle the war with the rest of the world and hope the situation will normalize as quick as possible.

Best regards,

Dorte Zacho Martinsen
